This information is compiled from financial statement and enrollment data filed by each Small Employer Group Carrier. It has not been audited or independently verified.

Quarterly Small Employer Group Carrier-Reported Estimates of Earned Premiums and Enrollment

The Florida Office of Insurance Regulation (Office) releases this report on a quarterly basis to provide information on the number of basic, standard, and other small employer group health benefit plans in force. Information includes the number of plans with a Health Savings Account (HSA) and a Health Reimbursement Arrangement (HRA). The report also provides the number of enrollees (by employers, employees and their dependents), the total amount of premiums earned and the percentage of earned premiums from new enrollment .

The **Employee Health Care Access Act**, defined in [Section 627.6699, FS](#), was established to promote the availability of health insurance coverage to small employers regardless of their claims experience or their employees' health status, and to improve the overall fairness and efficiency of the small group health insurance market.

The terms used in this report are defined as follows:

- **"Carrier"** means a person or entity that provides health benefit plans in this state, including an authorized insurer, a health maintenance organization, certain multiple-employer welfare arrangement, or any other person providing a health benefit plan that is subject to insurance regulation in this state.
- **"Small employer carrier"** means a carrier that offers health benefit plans covering eligible employees of one or more small employers.
- **"Health benefit plan"** means any hospital or medical policy or certificate, hospital or medical service plan contract, or health maintenance organization subscriber contract. The term does not include accident-only, specified disease, individual hospital indemnity, credit, dental-only, vision-only, Medicare supplement, long-term care, or disability income insurance; similar supplemental plans provided under a separate policy, certificate, or contract of insurance, which cannot duplicate coverage under an underlying health plan and are specifically designed to fill gaps in the underlying health plan, coinsurance, or deductibles; coverage issued as a supplement to liability insurance; workers' compensation or similar insurance; or automobile medical-payment insurance.
- **"Basic health benefit plans"** and **"standard health benefit plans"** mean low-cost health care plans developed pursuant to subsection (12) of the Florida Employee Health Care Access Act. The Act allows small businesses to provide group health insurance coverage for its employees on a guarantee-issue basis regardless of health circumstances, preexisting conditions, or claims history.
- **"Employer"** means, in connection with a health benefit plan with respect to a calendar year and a plan year, any person, sole proprietor, self-employed individual, independent contractor, firm, corporation, partnership, or association that is actively engaged in business, has its principal place of business in this state, employed an average of at least 1 but not more than 50 eligible employees on business days during the preceding calendar year, and employs at least 1 employee on the first day of the plan year. For purposes of this reporting, a sole proprietor, an independent contractor, or a self-employed individual is considered a small employer only if all of the conditions and criteria established in Section 627.6699, FS, are met.
- **"Employee"** means an employee who works full time, having a normal workweek of 25 or more hours, and who has met any applicable waiting-period requirements or other requirements of this act. The term includes a self-employed individual, a sole proprietor, a partner of a partnership, or an independent contractor, if the sole proprietor, partner, or independent contractor is included as an employee under a health benefit plan of a small employer, but does not include a part-time, temporary, or substitute employee.
- **"Dependent"** means the spouse or child of an eligible employee, subject to the applicable terms of the health benefit plan covering that employee.
- **"Covered Lives"** means the simple sum of reported "Employees" and "Dependents."
- **"Earned Premium"** means the portion of premiums paid by the insured "Employer" and/or his "Employees" that has been allocated, in an accounting sense, to the "Carrier's" loss experience, expenses and profit year to date during the reporting period.
