Cover Florida Health Care Access Program Annual Report

Background Information

Under the provisions of section 408.9091, Florida Statutes, the Agency for Health Care Administration (Agency) and the Office of Insurance Regulation (Office) must submit an annual report to the Governor and the Legislature on the status of the Cover Florida Health Care Access Program. The law specifically mandates that "the agency and the office shall evaluate the program and its effect on the entities that seek approval as Cover Florida plans, on the number of enrollees, and on the scope of health care coverage offered under a Cover Florida plan; shall provide an assessment of the Cover Florida plans and their potential applicability in other settings; shall use Cover Florida plans to gather more information to evaluate low-income consumer driven benefit packages." (Section 408.9091(10), Florida Statutes.)

The 2008 Florida Legislature established the Cover Florida Health Care Access Program, recognizing that a significant number of Florida residents are unable to obtain affordable health insurance coverage. The Cover Florida Health Care Access Program was established to expand the availability of health care options for uninsured residents. Affordable health care products were developed that emphasized coverage for basic and preventive health care services, as well as inpatient hospital, urgent and emergency care services.

The Cover Florida Health Care Access Program was signed into law on May 21, 2008. The Agency and the Office issued an Invitation to Negotiate (ITN) on July 2, 2008 to organizations willing to participate in the Cover Florida Program.

As a result of the ITN, two (2) statewide and four (4) regional contracts were awarded to the following companies:

Statewide-

- UnitedHealthcare
- Blue Cross Blue Shield of Florida

Regional-

- Medica Health Plans of Florida (Broward and Miami-Dade Counties)
- Total Health Choice (Broward and Miami-Dade Counties)
- JMH Health Plan (Miami-Dade County)
- Florida Health Care Plans (Flagler and Volusia Counties)
