Re: 2012 Developmental Disabilities Compact Annual Report

Dear Governor Scott:

Pursuant to Section 624.916(6), Florida Statutes, the Office of Insurance Regulation (Office) is submitting this annual report to the Governor and the Legislature to provide information regarding the implementation of the agreement negotiated between the Developmental Disabilities Compact Workgroup (DDWC) and signatories of the Developmental Disabilities Compact (Compact). The law specifically mandates the report include the following: (a) the signatories to the agreement; (b) an analysis of the coverage provided under the agreement in comparison to the coverage required under ss. 627.6686 and 641.31098; and (c) an analysis of compliance with the agreement by the signatories, including documented cases of claims denied in violation of the agreement.

Background

The Office's 2009 report (dated February 16, 2009) detailed the formation of the working groups mandated by the bill and a summary of the activities the working groups engaged in to complete their statutory responsibilities. A compact was approved on December 17, 2008.

Signatories to the agreement

Total Health Choice, Inc., an in-state HMO operating in Broward and Dade counties, was the only signatory to the compact, signing it on March 24, 2009. However, effective April 30, 2010, Total Health Choice, Inc.'s certificate of authority was suspended, and it is winding down its commercial operation and no longer has any members as of October 1, 2011.
