EXECUTIVE SUMMARY

In June 2006, the Florida Legislature enacted the Freedom to Travel Act, which modified Florida's Unfair Trade Practices Act by placing prohibitions on life insurance limitations upon an individual based solely on the individual's past lawful foreign travel or future lawful travel plans. The Florida Unfair Trade Practices Act also prohibits the refusal to insure, or continue to insure, based on the individual's race, color, creed, marital status, sex, or national origin.

Rule 69D-2, Florida Administrative Code became effective in October 2006 to implement the provisions of Section 626.9891, Florida Statutes. This rule requires a higher level of detail and accountability for Insurer Anti-Fraud Special Investigative Unit (SIU) Description filings and Insurer Anti-Fraud Plan filings.

The following represent general findings, however, specific details are found in each section of the report.

<u>TABLE OF TOTAL VIOLATIONS</u>			
Statute/Rule	Description	Files Reviewed	Number of Violations

The Office of Insurance Regulation (Office), Market Investigations, conducted a target market conduct examination of Metropolitan Life Insurance Company (Company) pursuant to Section 624.3161, Florida Statutes. The examination was performed by Examination Resources, LLC. The scope period of this examination was January 1, 2013 through December 31, 2013. The examination was conducted offsite. The examination began June 16, 2014 and ended October 13, 2014.

The purpose of this examination was to review compliance with Sections 626.9541(1)(dd), 626.9541(1)(g), 626.9541(1)(x) and 626.9891, Florida Statutes and Rules 69O-125.003 and 69D-2, Florida Administrative Code.

The examination included a review of the following:

- Life application files to determine if an application was denied, issued in a manner other than applied for, or terminated solely on the individual's past or future lawful foreign travel experiences, or on the applicant's national origin.
- Administrative and underwriting files for issued policies to determine if the policy was terminated, canceled or rescinded, or had a benefit change based solely on the individual's past or future lawful foreign travel experiences, or on the applicant's national origin.

- Reinsurance agreements to verify if any of the agreements place any limitations as a result of individual's past or future lawful foreign travel experiences, or on the applicant's national origin.
- Anti-Fraud Plans to verify filing and implementation.

In reviewing materials for this final report, the examiner relied on records provided by the Company. Procedures and conduct of the examination were in accordance with the *Market Regulation Handbook* produced by the National Association of Insurance Commissioners.

II. **COMPLETENESS AND ACCURACY TEST**

Since the Company wrote very minimal business during the scope period, this test was deemed unnecessary.

In addition, the data files provided by the Company were compared to the annual survey responses submitted by the Company. No violations were found.

UNDERWRITING MANUAL REVIEW

Underwriting guidelines were reviewed to determine if past and/or future travel and the applicant's national origin are included in the guidelines, and if so, determine if any restrictions are placed on Florida residents. Although underwriting guidelines were present relating to past and/or future travel and the applicant's national origin, the guidelines were not applied in Florida.

The purpose of this review was to determine if the Company has filed and/or updated (if staffing changes occurred) with the Division of Insurance Fraud (DIF), a description of the Insurer Anti-fraud Investigative Unit (SIU) or an Insurer Anti-fraud Plan pursuant to Section 626.9891, Florida Statutes, and Rule 69D-2.001-005, Florida Administrative Code. In addition, the review included verification that the Company has established and implemented procedures to detect potentially fraudulent activity, reporting all suspected insurance fraud acts directly to the Fraud Division and that staff is being properly trained.

COMPANY RESPONSE: The Company agreed with the finding and submitted the required form on October 22, 2014.
