PURCHASING GROUP – NOTICE AND REGISTRATION**

The requirement for the affiant's social security number as part of the Biographical Affidavit is mandatory. However, pursuant to sections 119.071(5), Florida Statutes, social security numbers collected by an agency are confidential and exempt from section 119.07(1), Florida Statutes, and section 24(a), Art. I of the State Constitution and must be segregated on a separate page. Therefore, instead of including the SSN on page 6 of the NAIC form, please include the affiant's name and social security number on a separate page and attach it to the Biographical Affidavit. Also please stamp CONFIDENTIAL at the top and bottom of the separate page.

Section 119.071(5), Florida Statutes, gives authority for an agency to collect social security numbers if imperative for the performance of that agency's duties and responsibilities as prescribed by law. Limited collection of social security numbers is imperative for the Office. The duties of the Office in background investigation are extensive in order to insure that the owners, management, officers, and directors of any insurer are competent and trustworthy, possess financial standing and business experience, and have not been found guilty of, or not pleaded guilty or nolo contendere to, any felony or crime punishable by imprisonment of one year.

(b) Background Investigative Report

Provide a background investigative report for each individual as indicated above. Background reports must be submitted by the selected background investigator vendor directly to the Office prior to or contemporaneously with the submission of the application filing. Please refer to form OIR-C1-905 for instructions.

(c) Fingerprint Cards

Fingerprint cards must be completed for each individual as indicated above. The cards will be furnished by the Office upon request. **No cards other than those furnished by the Office will be accepted.** The cards must be completed at a law enforcement agency and returned to this Office for processing. Please refer to form OIR-C1-938 for instructions.

Due to the length of time required by law enforcement agencies to process fingerprint cards, it is suggested that the cards be ordered immediately so they may be submitted before or with the application.

Please place the completed fingerprint cards in this section.

Note: Florida residents have the option of having their fingerprints digitally scanned rather than providing paper fingerprint cards and fees as noted above. Please refer to form OIR-C1-938 for instructions.

Note: If all premiums are collected by the insurer(s) of the purchasing group, the background requirements should be omitted.

CONFIDENTIAL

Pursuant to sections 119.071(5), Florida Statutes, social security numbers collected by an agency are confidential and exempt from section 119.07, Florida Statutes, and section 24(a), Art. I of the State Constitution. The requirement must be relevant to the purpose for which collected and must be clearly documented. The social security numbers must be segregated on a separate page from the rest of the record.

Applicant's Name: _____

Applicant's Social Security Number: _____

The requirement for the applicant's social security is mandatory.

Section 119.071(5), Florida Statutes, gives authority for an agency to collect social security numbers if imperative for the performance of that agency's duties and responsibilities as prescribed by law. Limited collection of social security numbers is imperative for the Office of Insurance Regulation. The duties of the Office of Insurance Regulation in background investigation are extensive in order to insure that the owners, management, officers, and directors of any insurer are competent and trustworthy, possess financial standing and business experience, and have not been found guilty of, or not pleaded guilty or nolo contendere to, any felony or crime punishable by imprisonment of one year. In establishing these qualifications and the Office of Insurance Regulation's responsibility to ensure that individuals meet these qualifications, the legislature recognized that owners, officers, and directors of an insurance company are in a position to cause great harm to public should they be untrustworthy or have a criminal background. These individuals control vast amount of funds that belong to policyholders. To meet the legislative intent that these people are qualified to be trusted, having the identifying social security number is essential for the Office of Insurance Regulation to adequately perform the background investigative duty. There are many individuals with the same name, without this identifying number it would be difficult if not impossible to be reasonably sure that the correct individuals are identified and verify they meet the statutorily required conditions.
