CONFIDENTIAL

Pursuant to section 119.071(5), Florida Statutes, social security numbers collected by an agency are confidential and exempt from section 119.07(1), Florida Statutes, and section 24(a), Art. I of the State Constitution. The requirement must be relevant to the purpose for which collected and must be clearly documented. The social security numbers must be segregated on a separate page from the rest of the record.

Applicant's Name: _____

Applicant's Social Security Number: _____

The Applicant must submit their social security number.

Section 119.071(5), Florida Statutes, gives an agency authority to collect social security numbers if imperative for the performance of that agency's duties and responsibilities as prescribed by law. It is imperative that the Office of Insurance Regulation collect social security numbers to perform background investigations to ensure that the owners, management, officers, and directors of entities regulated by the Office are competent and trustworthy, possess financial standing and business experience, and have not been found guilty of, or not pleaded guilty or nolo contendere to, any felony or crime punishable by imprisonment of one year. In establishing these qualifications and the Office of Insurance Regulation's responsibility to ensure that individuals meet these qualifications, the legislature recognized that owners, officers, and directors of an insurance company are in a position to cause great harm to the public should they be untrustworthy or have a criminal background. These individuals control vast amount of funds that belong to policyholders. To meet the legislative intent that these individuals are qualified and can be trusted, having the identifying social security number is essential for the Office of Insurance Regulation to adequately perform its background investigative duty. There are many individuals with the same name and without the social security number it would be difficult if not impossible to be reasonably sure that the correct individuals are identified and to verify that they meet the statutory requirements.
