INSTRUCTIONS

A provider is only required to file this application for approval of an expansion in the following circumstances:

- (1) The expansion is equivalent to the addition of at least 20% of existing units, and the provider has not exceeded the current statewide median for days cash on hand, debt service coverage ratio, and total facility occupancy for the most recent two consecutive annual reporting periods, or
- (2) For a provider that has exceeded the current statewide median for days cash on hand, debt service coverage ratio, and total facility occupancy for the most recent two consecutive annual reporting periods, the expansion is equivalent to an increase greater than 35% of existing units.

Existing units means the sum of the total number of independent living units and assisted living units identified in the most recent annual report filed with the Office, pursuant to Section 651.026, Florida Statutes. Skilled nursing units should not be included in the calculation. Note that these expansion approval requirements do not apply to construction for which a certificate of need from the Agency for Health Care Administration is required.

If the provider exceeds the statewide median for days cash on hand, debt service coverage ratio, and total facility occupancy for the most recent two consecutive annual reporting periods, the provider is automatically granted approval to expand the total number of existing units by up to 35% upon submitting a letter to the Office indicating the total number of planned units in the expansion, the proposed sources and uses of funds, and an attestation that the provider understands and pledges to comply with all minimum liquid reserve and escrow account requirements.

The statewide median for days cash on hand, debt service coverage ratio, and total facility occupancy is the median calculated in the most recent annual report submitted by the Office to the Continuing Care Advisory Council pursuant to Section 651.121(8), Florida Statutes.
