**RE: Renaissance Reinsurance Ltd. ("Company")
Request for Deferral of Certified Reinsurer Funding for Liabilities Relating to
Hurricanes Delta, Eta, and Zeta**

Dear Mr. Harnett-Beasley,

The Office of Insurance Regulation ("Office") is in receipt of the Company's request to defer funding for short-tail liabilities relating to the hurricanes list below for a period of one year from the dates listed below. The deferral of collateral funding frees up the cash of the Company so that the Company will be able to pay insurance companies in a timely manner, which allows the insurance companies to pay policyholder claims in a timely manner.

- Hurricane Delta for a period of one year from October 9, 2020
- Hurricane Zeta for a period of one year from October 28, 2020
- Hurricane Eta for a period of one year from November 8, 2020

Pursuant to Rule 69O-144.007(4), F.A.C., the Office hereby approves the Company's request to defer any collateral required to be posted from the date of first instance of a liability reserve entry for short-tailed line of business liabilities related to Hurricanes Delta, Eta and Zeta for one year.

If you have any questions or concerns, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Eliot Pardee".
