

Accident and Health

Year-to-Date Rate Change Report

As of March 31, 2023

Life and Health Product Review Analytics Unit
Florida Office of Insurance Regulation

Key Terms

Product: The specific type of Accident and Health policy under consideration.

File Log Number: The number automatically assigned to a filing by the Office of Insurance Regulation's (Office) internal tracking system. All closed filings are available to the public for review by using the Office's online Forms and Rates Filing Search utility.

Closed: The date the Office took final action on a filing; for purposes of this report this is the date the filing was approved.

Reported Policies: The number of policies affected by the combined rate impact (the anniversary allowed value).

% Change Allowed: The average change to the premium that will be implemented at a single point in time. The rate change experienced by any policyholder may differ from the average.

Avg. Trend Allowed: The growth rate required to cover medical provider price increases, utilization changes, and other items. This is the average change to the premium that will be implemented over a period of time (typically twelve months).

Anniversary Allowed: The combined effect of the base rate change, trend and previously approved changes that have not yet been fully implemented.

Note all rate changes shown in the following report are for filings that are closed with a final disposition status of Approved.

Product Glossary

Sorted by Line of Business (LOB) and Product

Product	Product Definition
LOB: Accident and Health Products Definition: Pursuant to Section 624.603, F.S.: "Health insurance", also known as "disability insurance", is insurance of human beings against bodily injury, disablement, or death by accident or accidental means, or the expense thereof, or against disablement or expense resulting from sickness, and every insurance appertaining thereto. Health insurance does not include workers' compensation coverages, except as provided in s. 624.406(4), F.S.	
Group Medicare Supplement Prestandardized	A plan issued prior to required federal standardization of Medicare supplement policy forms and rates.
Long Term Care Comprehensive - Other	A policy or rider that includes coverage for both institutional nursing home and home health care. If a form provides both facility and non-facility care, it is considered comprehensive. If a base form is facility only and non-facility coverage is offered as a rider, whether the rider is selected or not, the form and rider are comprehensive. One form may not be categorized as two different types of long term care for any rating purposes, nor may it be included in more than one block of business. In addition, if a form provides facility only benefits with no available non-facility rider or option, then it is considered facility only regardless of what other forms were available at the same time.
Group Health Dental	Insurance that provides benefits for routine dental examinations, preventive dental work and dental procedures needed to treat tooth decay and diseases of the teeth and jaw.
