## **Definitions and Additional Guidance:**

No deductions for salvage, subrogation or reinsurance received or expected should be made.

Attorney expenses include litigation management expenses, surveillance, appraisers, private investigators, expert witness fees, and fraud investigators, if working in defense of a claim.

Wind only policies should be reported in the corresponding policy form—eg HO, DP or MH.

Responses for the fields "Type of Policy," "County," "Peril," and "Type of Repairs" are limited to the responses shown in the 'Valid Responses' worksheet.

There should only be one row per claim on Section A-1, but there may be multiple rows per claim for Sections A-2, A-3, and A-4. For example, if there are multiple vendors on a claim, submit multiple rows of data.
