David Altmaier
Commissioner
Office of Insurance Regulation
State of Florida
Tallahassee, Florida 32399-0326

Dear Commissioner:

Pursuant to your instructions, in compliance with Section 624.316, Florida Statutes, Rule 69O-138.005, Florida Administrative Code, and in accordance with the practices and procedures promulgated by the National Association of Insurance Commissioners (“the NAIC”), we have conducted an examination as of December 31, 2020, of the financial condition and corporate affairs of

Main Street America Assurance Company

4601 Touchton Road East, STE 3400

Jacksonville, FL 32246

hereinafter referred to as “the Company” or “MSAAC.” Such report of examination is herewith respectfully submitted.

SCOPE OF EXAMINATION

This examination covered the period of January 1, 2016 through December 31, 2020 and the fieldwork commenced with planning on August 9, 2021. The fieldwork concluded as of February 24, 2022. The Company's last full scope exam by representatives of the Florida Office of Insurance Regulation ("the Office") covered the period of January 1, 2011 through December 31, 2015.

The examination was a multi-state examination conducted in accordance with the NAIC Financial Condition Examiners Handbook ("the Handbook"). The Handbook requires that the examination be planned and performed to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, and evaluate system controls and procedures used to mitigate those risks. An examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively. The lead state for this exam was Florida, and states that participated in this exam are as follows: Indiana and Minnesota.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with the NAIC Statements of Statutory Accounting Principles ("SSAP").

This examination report includes information obtained from the examination of the records, accounts, files and documents of or relative to the Company and other information as permitted by Section 624.319, Florida Statutes. There may be other items identified during the examination that, due to their nature (for example, subjective conclusions or proprietary information), are not included within the examination report but separately communicated to other regulators and/or the Company.

SUMMARY OF SIGNIFICANT FINDINGS

Current Examination Findings

There were no significant findings as a result of this examination.

Previous Examination Findings

On October 31, 2018, the Company's ultimate parent company, Main Street America Group Mutual Holdings, Inc. merged with American Family Insurance Mutual Holding Company (AFIMHC), a Wisconsin mutual insurance holding company.

The following is an update on other significant regulatory information disclosed in the previous examination.

Statement of Actuarial Opinion Requirements

Our review indicated that the Company's appointed actuary did not opine on the insurers "gross reserves" in the Company's Statement of Actuarial Opinion. The Statement of Actuarial Opinion was not completed in accordance with the NAIC Property and Casualty Annual Statement Instructions as the Statement of Actuarial Opinion must address the adequacy of direct and assumed, as well as net loss and loss adjustment expense reserves as contained in Schedule P of the annual statement.

Resolution: The Company has since remedied this issue.

Custodian Termination Notice

The Company utilized State Street Bank as its custodian during the period under examination. Effective January 16, 2014, the custody agreement between State Street Bank and the Company was terminated. Pursuant to Rule 69O-143.042(2)(o), Florida Administrative Code, the custodian did not provide written notification to the Office regarding the termination of the custodial agreement between the Company and State Street Bank.

Resolution: The Company has since remedied this issue by including the clause about notifying the Office regarding the termination of the agreement.
