

Office of Insurance Regulation

MEMORANDUM

DATE: January 22, 2024

TO: **Title Insurers** - Financial Statement Contact Person

FROM: Jane Nelson, Director
Property & Casualty Financial Oversight

SUBJECT: 2024 FILING REQUIREMENTS

This package is designed to assist Title insurers in preparing their filings with the Florida Office of Insurance Regulation (Office). Please be advised that this checklist is provided as a reference document only and is not intended to alter, amend, or replace statutory requirements.

This package has been designed to conform to the format adopted by the National Association of Insurance Commissioners (NAIC). The objective is to move towards uniformity in the states' filing requirements checklists.

Filings shall be made utilizing the 2023 Annual Statement Instructions and Blanks and the 2024 Quarterly Statement Instructions and Blanks adopted by the NAIC.

All filings should be made electronically through the Regulatory Electronic Filing System (REFS) via the Industry Portal located at <https://refs.fldfs.com/Account/Login>. This checklist has been revised to reflect the electronic requirements.

Notable highlights from this year's package include:

- See the Notes and Instructions section for the proper filing of premium tax returns and checks for payment of filing fees and premium tax payments with the Florida Department of Revenue.
- **All insurers must file electronically with the NAIC. All foreign insurers who are commercially domiciled in Florida must file according to the Domestic Checklist column.** Refer to Note U for the definition of "commercially domiciled".
- Changes in Actuary require a letter from the actuary addressed to the insurer stating whether the actuary agrees with the statements contained in the insurers' letter, and if not, stating the reasons for which the actuary does not agree. The insurer shall provide both of these letters to the Office.
- In addition to the Jurat Page, the Actuarial Opinion, Risk Based Capital Report and Reinsurance Attestation Supplement are also **required** to be signed and scanned as an electronic document. All domestic insurers will be required to submit the scanned document as an uploaded document into REFS.
- Companies are asked when uploading multiple documents with the same filing component to the Regulatory Electronic Filing System (REFS), that the title of the document be changed to a meaningful name. Naming documents HCRS1, HCRS2, HCRS3 and HCRS4 slows the review process. For example, using titles such as HCRS, Financial Statement, Management Agreement or Organization Chart will improve the review process. Your cooperation is greatly appreciated.

INSTRUCTIONS FOR FILING REQUIREMENTS: QUESTIONS & ANSWERS

1. **The checklist indicates that the deadlines for filing statements are March 1, May 15, August 15, and November 15. Do they have to be received by the Office on March 1, May 15, August 15, and November 15 or?**
 - > The REFS filings must be received by the Office no later than 5:00 PM on the applicable due date. Since the NAIC's electronic filing system requires overnight to process any filings, companies need to file the appropriate documents with the NAIC **at least** 1 business day prior to the Office's filing due date.
2. **If a filing requirement deadline falls on a weekend or holiday when is the filing due?**
 - > The deadline would be moved to the first business day following the original deadline.
3. **Will companies that submit late statements be fined?**
 - > Failure to timely file statements is subject to fine and is also a ground for suspension of the company's Certificate of Authority.
4. **May I attach my check for the premium tax payments to my filing?**
 - > Remit premium tax payments directly to the **Florida Department of Revenue** in accordance with instructions provided in this guide. Since the filing is now electronic, do not provide any premium tax information or documentation with the filing.
5. **May I attach my check for the Annual or Quarterly Statement filing fee to my filing?**
 - > Remit Annual and Quarterly Statement filing fees directly to the **Florida Department of Revenue** in accordance with instructions provided in this guide. Since the filing is now electronic, do not provide any premium tax information or documentation with the filing.
6. **Do I need to attach a bar code to every filing submitted to the Office?**
 - > N/A due to REFS.
7. **Where do I obtain the NAIC supplementary forms?**
 - > Obtain these from the same supplier of your NAIC Annual Statement Blank. There are a number of independent companies that provide this service. Please refer to www.naic.org for further information.
8. **I have read the entire package but I still have questions regarding financial filings and/or solvency requirements (vs. rate/form or other). How can I reach the financial analyst in charge of my company?**
 - > To reach Property & Casualty Financial Oversight directly, dial (850) 413-3148. Support staff will guide you to the individual analyst assigned to your company. The analyst can then give you his/her direct dial number for future reference.

General Instructions For Companies to Use Checklist

Please Note: This state's instructions for companies to file with the NAIC are included in this Checklist. The NAIC will not be sending their own checklist this year.

Electronic filing is intended to be filing(s) submitted to the NAIC via the NAIC Internet Filing Site which eliminates the need for a company to submit diskettes or CD-ROM to the NAIC. Companies are not required to file hard copy filings with the NAIC.

Column (1) (Checklist)

Companies may use the checklist to submit to a state, if the state requests it. Companies should copy the checklist and place an "x" in this column when submitting information to the state.

Column (2) (Line #)

Line # refers to a standard filing number used for easy reference. This line number may change from year to year.

Column (3) (Required Filings)

Name of item or form to be filed.

The **Annual Statement Electronic Filing** includes the annual statement data and all supplements due March 1, per the *Annual Statement Instructions*. This includes all detail investment schedules and other supplements for which the *Annual Statement Instructions* exempt printed detail.

The **March .PDF Filing** is the .pdf file for the annual statement, detail for investment schedules and all supplements due March 1.

The **Supplemental Electronic Filing** includes all supplements due April 1, per the *Annual Statement Instructions*.

The **Supplemental .PDF Filing** is the .pdf file for all supplements due April 1.

The **Quarterly Electronic Filing** includes the quarterly statement data.

The **Quarterly .PDF Filing** is the .pdf for quarterly statement data.

The **June .PDF Filing** is the .pdf file for the Audited Financial Statements and Accountants Letter of Qualifications.

Column (4) (Number of Copies)

Indicates the number of copies that each foreign or domestic company is required to file for each type of form. The Blanks (EX) Task Force modified the 1999 *Annual Statement Instructions* to waive paper filings of certain NAIC supplements and certain investment schedule detail, if such investment schedule data is available to the states via the NAIC database. The checklists reflect this action taken by the Blanks (EX) Task Force. XXX appears in the "Number of Copies" "Foreign" column for the appropriate schedules and exhibits. **Some states have chosen to waive printed quarterly and annual statements from their foreign insurers and to rely upon the NAIC database for these filings. This waiver could include supplemental annual statement filings. The XXX in this column might signify that the state has waived the paper filing of the annual statement and all supplements.**

Column (5) (Due Date)

Indicates the date on which the company must file the form.

Column (6) (Form Source)

This column contains one of three words: "NAIC," "State," or "Company," If this column contains "NAIC," the company must obtain the forms from the appropriate vendor. If this column contains "State," the state will provide the forms with the filing instructions (generally, on its web site). If this column contains "Company," the company, or its representative (e.g., its CPA firm), is expected to provide the form based upon the appropriate state instructions or the NAIC *Annual Statement Instructions*.

Column (7) (Applicable Notes)

This column contains references to the Notes to the Instructions that apply to each item listed on the checklist. The company should carefully read these notes before submitting a filing.
