Acronyms: PR – Personal Residential; PLA – Personal Lines Account, CA – Coastal Account; CR – Commercial Residential; CNR- Commercial Non-Residential; CLA – Commercial Lines Account

Citizens policies generally fall into three categories: Personal Residential (PR), such as a single family home or mobile home; Commercial Residential (CR), such as condominiums or apartments owned by a company or a condominium/homeowners association; and Commercial Non-Residential (CNR), such as a traditional business. Policies in those three categories fall into one of the following Account Lines: Citizen’s Personal Lines Accounts (PLA) and Commercial Lines Accounts (CLA) are mostly non-coastal properties; and the Coastal Account (CA) is coastal properties.
