- (1) Network types available are Health Maintenance Organization (HMO), Preferred Provider Organization (PPO), and an Exclusive Provider Organization (EPO).  
 (2) A plan available through the Small Business Health Options Program (SHOP) may or may not be available outside of the SHOP.  
 (3) Percent changes are based on actual 2018 enrollment and do not represent the percent difference for a single certificate holder.  
 (4) Weighted averages give more weight to companies with larger membership.
