Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The Act directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants.

This brochure describes the benefits of FEP BlueVision under the Blue Cross and Blue Shield Association's contract OPM-06-00060-2 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

This brochure is the official statement of benefits. No oral statement can modify or otherwise affect the benefits, limitations and exclusions of this brochure. It is your responsibility to be informed about your benefits. You, and your family members, do not have a right to benefits that were available before January 1, 2012 unless those benefits are also shown in this brochure.

If you are enrolled in this plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self Plus One, you and your designated eligible family member are entitled to these benefits. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits.

OPM negotiates benefits and rates with each carrier annually. Rates are shown at the end of this brochure.

FEP BlueVision is responsible for the selection of in-network providers in your area. Contact us at 1-888-550-2583 for the names of participating providers or to request a provider directory. You may also request or view the most current directory via our website at www.fepblue.org. Continued participation of any specific provider cannot be guaranteed. Thus, you should choose your plan based on the benefits provided and not on a specific provider's participation. When you phone for an appointment, please remember to verify that the provider is currently in-network. If your provider is not currently participating in the provider network, you can nominate him or her to join. Nomination forms are available on our web site, or call us and we will take your nomination over the phone. You cannot change plans, outside of Open Season, because of changes to the provider network.

Provider networks may be more extensive in some areas than others. **Please be aware that the FEP BlueVision network is different from the network of your health plan.**

This FEP BlueVision plan and all other FEDVIP plans are not a part of the Federal Employees Health Benefits (FEHB) Program.

We want you to know that protecting the confidentiality of your individually identifiable health information is of the utmost importance to us. Enroll Through BENEFEDES	You enroll through the Internet at www.BENEFEDS.com . Please see Section 2, Enrollment, for more information.

Coverage Effective Date	If you sign up for a dental and/or vision plan during the 2011 Open Season, your coverage will begin on January 1, 2012. Premium deductions will start with the first full pay period beginning on/after January 1, 2012. You may use your benefits as soon as your enrollment is confirmed.
Pre-Tax Salary Deduction for Employees	Employees automatically pay premiums through payroll deductions using pre-tax dollars. Annuitants automatically pay premiums through annuity deductions using post-tax dollars.
Annual Enrollment Opportunity	Each year, an Open Season will be held, during which you may enroll or change your dental and/or vision plan enrollment. This year, Open Season runs from November 14, 2011 through December 12, 2011. You do not need to re-enroll each Open Season unless you wish to change plans or plan options; your coverage will continue from the previous year. In addition to the annual Open Season, there are certain events that allow you to make specific types of enrollment changes throughout the year. Please see Section 2, Enrollment, for more information.
Continued Group Coverage After Retirement	Your enrollment or your eligibility to enroll may continue after retirement. You do not need to be enrolled in FEDVIP for any length of time to continue enrollment into retirement. Your family members may also be able to continue enrollment after your death. Please see Section 1, Eligibility, for more information.

Section 1 Eligibility

Section 2 Enrollment

Enroll Through BENEFEDES

You must use BENEFEDES to enroll or change enrollment in a FEDVIP plan. BENEFEDES is a secure enrollment website (www.BENEFEDES.com) sponsored by OPM. If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to enroll or change your enrollment.

If you are currently enrolled in FEDVIP and do not want to change plans or options, your enrollment will continue automatically. Please note: your plans' premiums may change for 2012.

Note: You cannot enroll in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDES.

Enrollment Types

Self Only: A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family; however, your family members will not be covered under FEDVIP.

Self Plus One: A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members, but the additional family members will not be covered under FEDVIP.

Note: A Self Plus One enrollment option does not exist under the FEHB Program.

Self and Family: A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

Dual Enrollment

If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) can not be covered by two FEDVIP dental plans or two FEDVIP vision plans.

Opportunities to Enroll or Change Enrollment

Open Season

If you are an eligible employee or annuitant, you may enroll in a dental and/or vision plan during the November 14 through December 12, 2011 Open Season. Coverage is effective January 1, 2012.

During future annual Open Seasons, you may enroll in a plan, or change or cancel your dental and/or vision coverage. The effective date of these Open Season enrollments and changes will be set by OPM. If you want to continue your current enrollment, do nothing. **Your enrollment carries over from year to year, unless you change it.**

New hire/Newly eligible

You may enroll within 60 days after you become eligible as:

- a new employee;
- a previously ineligible employee who transferred to a covered position;
- a survivor annuitant if not already covered under FEDVIP; or
- an employee returning to service following a break in service of at least 31 days.

Your enrollment will be effective the first day of the pay period following the one in which BENEFEDES receives and confirms your enrollment.

Qualifying Life Event

A qualifying life event (QLE) is an event that allows you to enroll, or if you are already enrolled, allows you to change your enrollment outside of an Open Season.

The following chart lists the QLEs and the enrollment actions you may take:

Qualifying Life Event	From Not Enrolled to Enrolled	INCREASE: Enrollment Type	DECREASE: Enrollment Type	Cancel	CHANGE: From One Plan to Another
Acquiring an eligible family member	No	Yes	No	No	No
Losing a covered family member	No	No	Yes	No	No
Losing other dental/ vision coverage (eligible or covered person)	Yes	Yes	No	No	No
Moving out of regional plan's service area	No	No	No	No	Yes
Going on active military duty, non-pay status (enrollee and spouse)	No	No	No	Yes	No
Returning to pay status from active military duty (enrollee and spouse)	Yes	No	No	No	No
Annuity/ compensation restored	Yes	Yes	Yes	No	No
Transferring to an eligible Federal position*	No	No	No	Yes	No

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer-paid premium.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan's service area; and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of a loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Generally, enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives and confirms the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either a dental or a vision plan, you cannot change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

Canceling an enrollment

You may cancel your enrollment only during the annual Open Season. An eligible family member's coverage also ends upon the effective date of the cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date.

When Coverage Stops

Coverage ends when you:

- no longer meet the definition of an eligible employee or annuitant;
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments; or
- cancel the enrollment during Open Season.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under the FEDVIP plans:

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA), you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time period permitted. This is known as the “Use-it-or-Lose-it” rule. Carefully consider the amount you will elect.

Current FSAFEDS participants must re-enroll to participate in 2012. See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-800-952-0450.

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you may use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB and FEDVIP plans.

Using your FSA pre-tax dollars for your eyecare and eyewear needs is a great way to get more out of your benefit dollar. And FEP BlueVision will submit your eligible FSAFEDS out-of-pocket expenses electronically, so you don't have to.

Using your FSAFEDS account for your eyecare and eyewear expenses is simple:

- Visit your provider for your routine eye examination and eyewear
- Pay any out-of-pocket expenses
- FEP BlueVision will submit your expenses for reimbursement for you.

Section 3 How You Obtain Care

Identification Cards/ Enrollment Confirmation	Two ID cards are issued for each member, regardless of coverage option. If additional cards are needed, you may request them through our website, www.fepblue.org or call us at 1-888-550-2583. All eligible dependents listed on your enrollment share your identification number. You do not need an ID card for each member of your family.
Plan Providers	<p>We list in-network plan providers in the provider directory, which is updated frequently. The most current list can be found on our website at www.fepblue.org. It is your responsibility to ensure that the provider chosen is an active participant in the program, at the time you receive services. The FEP BlueVision network is specific to routine vision care and is different from the network for your medical plan.</p> <p>In some cases, due to local regulations or business practices, the doctor may be independent of the retail location. You should confirm that both the doctor and the retail location are participating prior to seeking services.</p>
In-Network	<p>In-network providers are referred to as participating providers. The FEP BlueVision in-network benefit is paperless and extremely user-friendly for members. When scheduling an appointment, you should identify yourself as a member of FEP BlueVision and provide your name and identification number. The provider is then responsible for verifying eligibility by contacting FEP BlueVision either by telephone or via the web.</p> <p>Under Standard Option, you must stay in-network for covered services. If you receive care from a non-participating provider, we will not pay for any services unless you reside in a limited access area. Please see Section 4, Your Cost For Covered Services.</p>
Out-of-Network	<p>Out-of-network providers are referred to as non-participating providers. High Option: We will provide fee schedule allowances as described in Section 4, Your Cost For Covered Services, for covered services performed by non-participating providers. However, since these providers do not participate with FEP BlueVision, you may be responsible for any amounts over the fee schedule allowances. Please see Section 8, Claims Filing and Disputed Claims Processes, for information.</p> <p>Under Standard Option, you must stay in-network for covered services. If you receive care from a non-participating provider, we will not pay for any services unless you reside in a limited access area. Please see Section 4, Your Cost For Covered Services.</p>
Pre-Authorization	<p>Pre-authorization is only required for:</p> <ul style="list-style-type: none">• Medically necessary contact lenses in the treatment of certain eye health conditions and is obtained by the participating provider.• The treatment of low vision and is obtained by the participating provider.• Discounts for laser vision correction and is obtained by the member.
First Payor	When you visit a provider who participates with both your FEHB plan and your FEDVIP plan, the FEHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge in these cases. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance.
Coordination of Benefits	We do not coordinate benefits with non-FEHB health plans.
Limited Access Areas	If you live in an area that does not have adequate access to an FEP BlueVision network provider and you receive covered services from an out-of-network provider, we will pay up to 100% of our Plan Allowance. You are responsible for any difference between the amount billed and our payment. To determine if you are in a limited access area call us at 1-888-550-2583. Please see Section 4, Your Cost for Covered Services, for more information. Please see Section 8, Claims Filing and Disputed Claims Processes, for information.

Section 4 Your Cost for Covered Services

Replacement Contact Lens Program: FEP BlueVision offers a contact lens replacement program to members. This exclusive mail order program provides you with the guaranteed lowest prices on contact lens replacement materials. Members may call 1-800-536-7123 with a current prescription.

Laser Vision Correction: FEP BlueVision members can realize substantial discounts on laser correction procedures (LASIK and PRK). Members are entitled to savings of up to 25% off the provider’s usual and customary fees, or a 5% discount on any advertised special, from participating physicians and affiliated laser centers. (Some centers provide a flat fee equating to these discount levels.) To insure that the discount is applied correctly, the member must obtain pre-authorization for this service.

Contact us at 1-888-550-2583 for the names of participating providers and to receive a pre-authorization number.

Additional Benefits

Medically Necessary Contact Lenses: Contact lenses may be determined to be medically necessary and appropriate in the treatment of patients affected by certain conditions. In general, contact lenses may be medically necessary and appropriate when the use of contact lenses, in lieu of eyeglasses, will result in significantly better visual and/or improved binocular function, including avoidance of diplopia or suppression. Contact lenses may be determined to be medically necessary in the treatment of the following conditions:

Keratoconus, Pathological Myopia, Aphakia, Anisometropia, Aniseikonia, Aniridia, Corneal Disorders, Post-traumatic Disorders, Irregular Astigmatism.

Medically necessary contact lenses are dispensed in lieu of other eyewear. Participating providers will obtain the necessary pre-authorization for these services.

Low Vision: Low vision is a significant loss of vision but not total blindness. Ophthalmologists and optometrists specializing in low vision care can evaluate and prescribe optical devices, and provide training and instruction to maximize the remaining usable vision for our members with low vision. After pre-authorization by FEP BlueVision, covered low vision services (both in- and out-of-network) will include one comprehensive low vision evaluation every 5 years, with a maximum charge of \$300; maximum low vision aid allowance of \$600 with a lifetime maximum of \$1,200 for items such as high-power spectacles, magnifiers and telescopes; and follow-up care – four visits in any five-year period, with a maximum charge of \$100 each visit. Participating providers will obtain the necessary pre-authorization for these services.

Warranty: FEP BlueVision “Collection” frames and all eyeglass lenses manufactured in FEP BlueVision laboratories are guaranteed for one year from the original date of dispensing. Warranty limitations may apply to provider – or retailer – supplied frames and/or eyeglass lenses. Please ask your provider for details of the warranty that is available to you.

Section 6 International Services and Supplies

If you travel or live outside the United States and Puerto Rico, you are still entitled to the benefits described in this brochure. Unless otherwise noted in this section, the same definitions, limitations, and exclusions also apply.

Please note that pre-authorization does not apply when you receive care outside of the United States and Puerto Rico. If you live in a limited access area, overseas or if you obtain services from a non-participating provider (High Option only), you are responsible for filing the claim. You can obtain claim forms at www.fepblue.org or call 1-888-550-2583.

For international claims, those incurred in limited access areas and out-of-network claims*, the standard time limit for filing a claim is up to one year from the date of service.

* High Option Only

Disputed Claims Process

Follow this disputed claims process if you disagree with our decision on your claim or request for services. **The FEDVIP law does not provide a role for OPM to review disputed claims.**

Disputed Claim Steps:

1. The provider, member or patient may appeal any decision to deny services before, during or after the service is provided. Ask us in writing to reconsider our initial decision. You must send written notice of disputed claims via U.S. Mail to:

Quality Assurance/Patient Advocate Department

FEP BlueVision

P.O. Box 791

Latham, New York 12110-0791

2. We will acknowledge receipt of your request within five business days from the date we receive it and will give you a decision within 30 days.

3. If the dispute is not resolved through the reconsideration process, you may request a review of the denial. We will make a decision within 35 days of the date we receive your request in writing.

4. If you do not agree with our final decision, you may request an independent third party, mutually agreed upon by us and OPM, review the decision. The decision of the independent third party is binding on us and is the final administrative review of your claim. This decision is not subject to judicial review.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, plan, BENEFEDS or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 1-888-550-BLUE (2583) and explain the situation.
- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless he/she is disabled and incapable of self-support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure, prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.
